HIKING TRAILS

1. Split Rock- To visit split rock head to the craft hut and follow the trail to until you get to the orange trail. Once there you will have to look out for a small path the leads down towards little Swatara Creek.
2. Krew Island- This trail is an unmaintained trail that leads to a small island that is accessible when the water of little Swatara creek is low enough.
3. Red Trail- This trail connects the yellow and orange trails.
4. Yellow Trail- This trail leads you to the Main Campfire Circle. This is one of the largest fire circles on camp.
5. Blue Trail- This trail connects the gym to Fairland Lodge.
6. Black Trail- This trail is the connecting piece of the orange trail.
7. Orange Trail- This takes you around camp and is also apart of our Watershed Loop Interpretive Trail (see office for details).
8. Purple Trail- This trail follows the Low Ropes Course; a fee-based activity available at camp.
