SUMMER CAMP 2024

Dear Parents,

It is an absolute pleasure to be back for another awesome summer, learning, growing, and encountering God through nature! God has continued to bless Kenbrook and we are excited to share everything there is to do at camp with our campers. There is always something new to try, experience, or learn at Kenbrook and by creating an environment away from the distractions that technology can bring, our campers have opportunities to grow into the people God desires them to be.

All programs at Kenbrook place campers in groups where they will belong. From cabins to How-Tos, campers are a part of intentional groups that are led by staff who care for the wellbeing of each camper. Our summer staff are awesome young adults who chose to serve campers, giving their time and skills to create an environment for campers that is inviting, fun, and reflecting the love of God. Through silly games, skits, and songs our staff keeps things entertaining and creates memories that can last a lifetime.

The theme for this summer comes from Ezekiel 37: 4-6 "Tell these dry bones to listen to the word of the Lord... I am going to put breath into you and bring you back to life. Then you will know that I am the Lord." Much like how light drives out darkness; with God, life drives out death. God has a desire and plan for all of us and that plan gives us new life and invites us to live in new ways. Campers at Kenbrook this summer will learn about how to live for Christ and what it means to share that to others.

Blessings,

Nathaniel Nissley

Youth Program Director

WHY KENBROOK?

The mission of Kenbrook is to be like Christ in all relationships in order to facilitate a closer connection to God, self, others, and nature.

CONNECTION TO GOD:

Kenbrook's Summer Camp program is designed to help campers learn about and experience God in a special way. This takes place in a variety of ways including Truth Talks (daily Bible studies with their cabin groups), TAG Time (Time Alone with God), evening sessions with music and teaching, and personal conversations with their cabin counselor. Additionally, the staff put on the Jesus Walk; an interactive live action portrayal of Jesus's ministry in which campers get to experience the gospel story firsthand.

SELF:

Kenbrook provides a safe environment for campers to take risks and try new things. They may find a new outdoor activity that they really enjoy! Daily "how-tos" provide opportunities for campers to learn new skills, such as archery or canoeing. Campers may sleep out in the woods on campout night or catch their first fish in the lake. Many campers leave Kenbrook having learned not only about God, but also more about themselves.

OTHERS:

As soon as campers arrive at their cabins, they are immersed into a community. Cabin groups are not only a way to organize campers and provide supervision; they are a small group, a representation of the body of Christ that each camper gets to participate in and experience. Because of this, cabin groups are the foundational element in Kenbrook's commitment to knowing others. In addition, campers can choose weekly and daily activities to participate in which allow them to interact with those outside of their cabin group.

NATURE:

Kenbrook is situated just north of Lebanon along the Little Swatara Creek. It is not far from many cities in Central, PA. Despite the occasional passing car, when you are here you feel like you are in the middle of nowhere. Kenbrook will provide your child with the opportunity to enjoy the beauty of God's creation and experience the natural world - in the woods, by the creek, on the lake, and more. They will be encouraged to explore, play, and learn through a myriad of activities outdoors.

RESIDENTIAL CAMP

Kenbrook has been providing summer camp experiences for children and youth for over 70 years! While some things have changed over time, one thing has remained constant: our deep desire for young people to know God through a relationship with Jesus Christ. We will provide your camper with the opportunity to experience God in new ways through programs that are geared to their age group. This means that sessions, games, Truth Talks, how-tos, and even meal times will be tailored to your camper's age group so that they can have the best experience possible. Beyond all the games and new activities, residential campers get the full experience of living and learning in a cabin with leaders who care and are committed to their safety and growth.

DAY CAMP (AGES 6-10)

Day campers have counselors just like residential campers, with Truth Talks and TAG time (Time Alone with God). They will enjoy all the fun activities of camp - the outdoors, the pool, crafts, games, and so much more. Day Camp is a great option for campers who want to try out camp but are reluctant to stay overnight, and for those who live nearby and want to enjoy multiple weeks of camp activity while their parents are working.

Normal Day Camp hours are 9:00am drop off to 5:00pm pick up with lunch provided. To make Day Camp more accessible to busy working families, Day Campers will now have the option for extended drop off or pick up times. Extended drop off takes place at 7:30am and campers will be fed breakfast for a flat rate increase of \$50 for the entire week. Extended pick up takes place at 6:30pm and campers will be fed dinner for a flat rate increase of \$50 for the entire week. If you utilize both extended drop off and pick up the flat rate increases by \$100.

KENBROOK AND BEYOND

Kenbrook and Beyond is for those who like to swim in the deep end, sleep under the stars, and jump into new adventures. Campers in this program will be staying in platform tents and tackling adventure challenges each day at camp. If you enjoy the Kenbrook experience but wish for something more, this is for you!

Depending on the track you pick, Wet and Wild or Rocks and Hills, campers will have a variety of experiences tailored to their age group. Learning the skills to boat on open water or mastering rock climbing techniques are just a few of the activities that take place. Each night, campers will return to camp and will be able to experience some of the normal evening programs you would expect at Kenbrook.

AIRSOFT

Kenbrook's Airsoft program brings a change of pace for those who are looking for more adrenaline filled adventure! Airsoft is an alternative to our old paintball program. Airsoft fires small plastic BBs that cause much less harm and mess than paintballs do. Safety is always a matter of utmost importance to us at Kenbrook so instead of opting for smaller goggles Kenbrook provides full face masks to all participants that must be worn when participating. Participants' age requirement is 11 years of age or older.

Available three weeks only for Residential Campers. Not available for Day Campers, Beyond Campers or Service Leadership options.

SERVICE & LEADERSHIP OPPORTUNITIES

Being a part of the summer ministry team at Kenbrook Bible Camp is a unique opportunity to grow as a follower of Jesus through service and leadership development. - SESSION 2 - JUNE 23-28, JUNE 30-JULY 3
- SESSION 3 - JULY 21-26, JULY 28-AUG 2

Kenbrook Krew is a two week discipleship program where Krew members work alongside staff to serve the summer camp program. The Krew members have two leaders who witness to, teach, and care for them while they work together to complete tasks, enjoy activities, and generally have a ton of fun together. The tasks that Krew complete include serving meals, cleaning bathrooms, setting up and tearing down program areas, keeping trails clear, and doing small maintenance projects. Krew is a fantastic opportunity to learn what it means to be a Christian servant, and grow closer to other Krew members at the same time!

CIT (COUNSELOR IN TRAINING) AGES 16-17

This is an entirely free program designed specifically for those who are graduating from their years as a camper and who have an interest in being a part of the summer staff team in the future. CITs will be matched with a different Counselor each week they are serving at Kenbrook and will get real experience in what it is like to care for and lead a cabin at Kenbrook. Participants will be pushed to grow in their leadership skills and in their faith. CITs have meetings with the Service Director who will mentor them throughout their time at Kenbrook and assist them in developing their own devotional or Truth Talk to share with the Cabin they are serving. Please don't miss out on this opportunity to grow your faith and grow in the gifts that God has given you!

WHY THREE PRICE OPTIONS?

In short, we offer tiered pricing because we want every kid to come to camp regardless of their family's income level. We encourage you to choose the price option that best corresponds with your ability to pay. The higher the level that you choose, the more your payment will reflect the actual cost of providing a summer camp experience for your camper. Whatever level you choose, you can be sure that your choice is confidential and will not impact your camper's experience in any way!

TIER A - Best accounts for the basic expenses of summer camp.

TIER B - Best accounts for summer expenses and utility usage for summer camp.

TIER C - Best accounts for the true cost of summer camp including staffing and site maintenance.

*Tier A & B are subsidized through donor support. No matter what tier you choose, the program and accommodations are the same for your camper!

FREQUENTLY ASKED QUESTIONS

WHAT IF WE CANNOT AFFORD THE PRICE OF CAMP?

Kenbrook never wants money to get in the way of a child coming to camp. Generous donors allow Kenbrook to offer financial assistance to anyone in need to assure all children can come to camp. Visit www.kenbrook.org/summer-camp-details/discounts-financial-aid for more information.

WHAT IF MY CHILD HAS A FOOD ALLERGY?

Food allergies are a common occurrence at camp and our kitchen will provide menu options specifically for your child and their dietary needs. Our food service department is committed to providing a quality experience for every camper, so these menu options will be tailored to their age group, just as every other camper's food will be. Kenbrook does not provide a specialized menu for campers based on preference alone.

DOES KENBROOK ACCOMMODATE INDIVIDUAL NEEDS?

Absolutely. Our goal is to provide quality programming for every child. We will do whatever we can to accommodate every child that comes to Kenbrook. There may be select cases that our facilities and programming cannot accommodate, but if you or your child is interested in camp we will do everything we can to put them in a position to thrive during their time at Kenbrook Bible Camp.

IS SAFETY A PRIORITY AT CAMP?

Definitely. If parents do not feel like their children are safe, they will not send them. And, if campers do not feel safe they will not have a positive camp experience. Safety is a top priority at Kenbrook. All staff are screened using three background checks, vetted through our interview process, and given extensive training before the summer begins. Kenbrook has a zero-tolerance policy on bullying and we do everything in our power to prevent campers from entering situations where bullying could occur. Campers are always in supervised areas while they are at camp. No matter what activity or program, Kenbrook strives to maintain an 8:1 camper to staff ratio. Even when campers are not under direct supervision, staff provides supervision for an area and campers will move in groups of three so that two campers are never by themselves.

If you have any additional questions or would like to discuss any of these further, please call 717.865.4547 or email nnissley@kenbrook.org

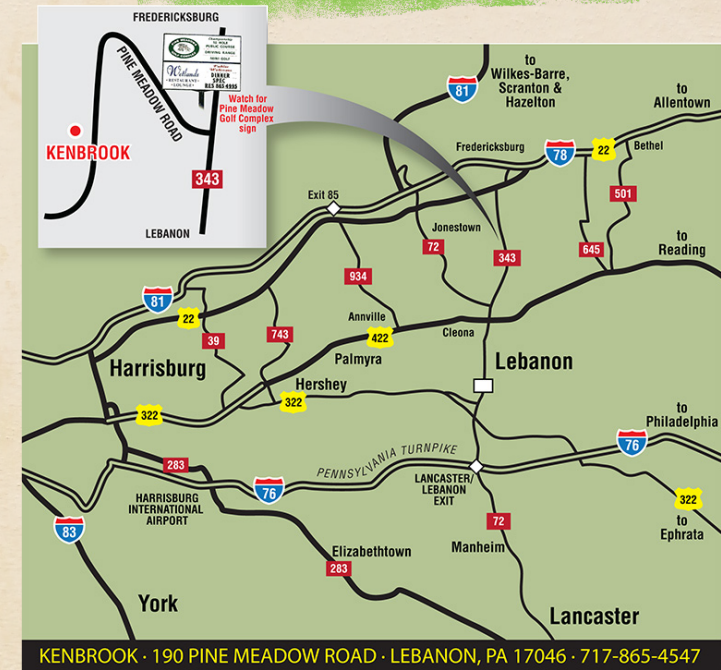

SUMMER STAFF (16+)

Summer staff are the hands, feet, and faces of Kenbrook's summer camp ministry. Each year more than twenty young adults devote themselves to the ministry of Kenbrook: serving as counselors, program staff, trip leaders, lifeguards, kitchen assistants, and in various director roles. Serving on staff is a life changing experience; an opportunity to let God put you in unique situations where you will be stretched and challenged. The relationships you form with other staff members are irreplaceable and often last a lifetime. Being a part of the summer staff will force you to go deeper in your relationship with God as you serve and lead alongside fellow staff. You will grow in your faith and have an incredible amount of fun doing it! If you are interested in diving deeper into your walk with Christ and stepping into a role that will push and challenge you to grow, then be sure to apply online at www.kenbrook.org/apply-for-staff or contact Nathaniel Nissley, Youth Program Director, with any questions you may have nnissley@kenbrook.org
